CAPABILITIES STATEMENT

COMPANY OVERVIEW:

Coil Winding Specialist Inc., or CWS is a woman owned small business (WOSB). CWS designs, develops, manufactures, and distributes energy efficiency products, HVAC products, transformers, inductors, coils, magnetic components from medical to military to Industrial and commercial applications.

Currently, the sales to the Federal government are via GSA/eBuy, Sam.gov, FedConnect, and direct sales. CWS provides full turnkey services from design to prototype manufacturing and installation and repairs and maintenance. Our installation, repair and maintenance crews are fully licensed by the state.

CAPABILITIES

- High Power Inductors, Power chokes, Noise filters and Coils
- HF Matching Transformer, and High Frequency Transformers.
- High Power High Voltage, Medium Voltage and Low Voltage (dry and oil filled) Transformers designs, manufactures, installs, commissioning and repairs and maintenance.
- UPS, Power Supplies, Pumps, VFDs and Generators supply, install, repair, and maintenance.
- HVAC Installations, Maintenance and Repairs
- ASHREA Level II Energy audits, Energy Savings Measures and Commissioning of large facilities.

PAST PERFORMANCE:

Over the last five years, CWS has had over two hundred individual sales, accounting for millions of dollars of revenue, to the Federal government, including but not limited to:

- All six branches of the military
- Department of State
- Department of the Interior
- Department of Agriculture
- Department of Treasury
- FEMA
- Center for Disease Control
- WAPA

In addition, CWS has sold thousands of its HVAC chips and other efficiency products to many state and local municipalities, either directly or via approved partners.

DIFFERENTIATORS:

- Custom Design & Manufacture
- Material Logistics
- On-time Delivery
